## Memorial Scholarship Grant 2019

Dear Parents/Guardians,

The District 54 Education Foundation proudly offers grants to District 54 students to fund their participation in a summer program of their choice.

**This grant is intended for children from families facing extenuating financial circumstances.**

Application procedures are as follows:

- Students can apply to receive a \$100 grant to be used for **one** program of their choice. The Foundation will pay up to \$100 for one class, but not more than the cost of the class. Other fees such as transportation, equipment, etc. will **not** be covered.
- Students eligible for grants must currently be enrolled in District 54 in early childhood through seventh grade.
- Memorial scholarship grants will be awarded for programs/activities occurring in late spring or summer 2019.
- Each child may apply for a grant for only one program. The Foundation will not fund multiple classes. **Due to the high volume of grant applications, please be sure that your child will be able to fully participate in the chosen class or program.**
- Any available documentation describing the program of interest should be attached to the application.
- Applications must be completed by the student and signed by the parent or guardian.
- Applications must be submitted **to your child's school by Friday, May 3**. The Foundation has a limited amount of funds to award, so grants submitted after the deadline cannot be considered.
- All applicants will be notified in by mid-May by school staff and provided instructions on next steps.

Questions may be directed to Jennie Waldorf at (847) 357-5038 or [JenniferWaldorf@sd54.org](mailto:JenniferWaldorf@sd54.org).
